الأستاذ الدكتور يوسف حسين

رئيس قسم التشريح والأنسجة والأجنة

كلية الطب - جامعة مؤتة - الأردن

دكتورة من جامعة كولونيا المانيا

Prof. Dr. Youssef Hussein Anatomy - YouTube

الواتس 00201224904207

Medial condyle of femur

Lateral condyle of femur

Small medial facet

Medial condyle of tibia

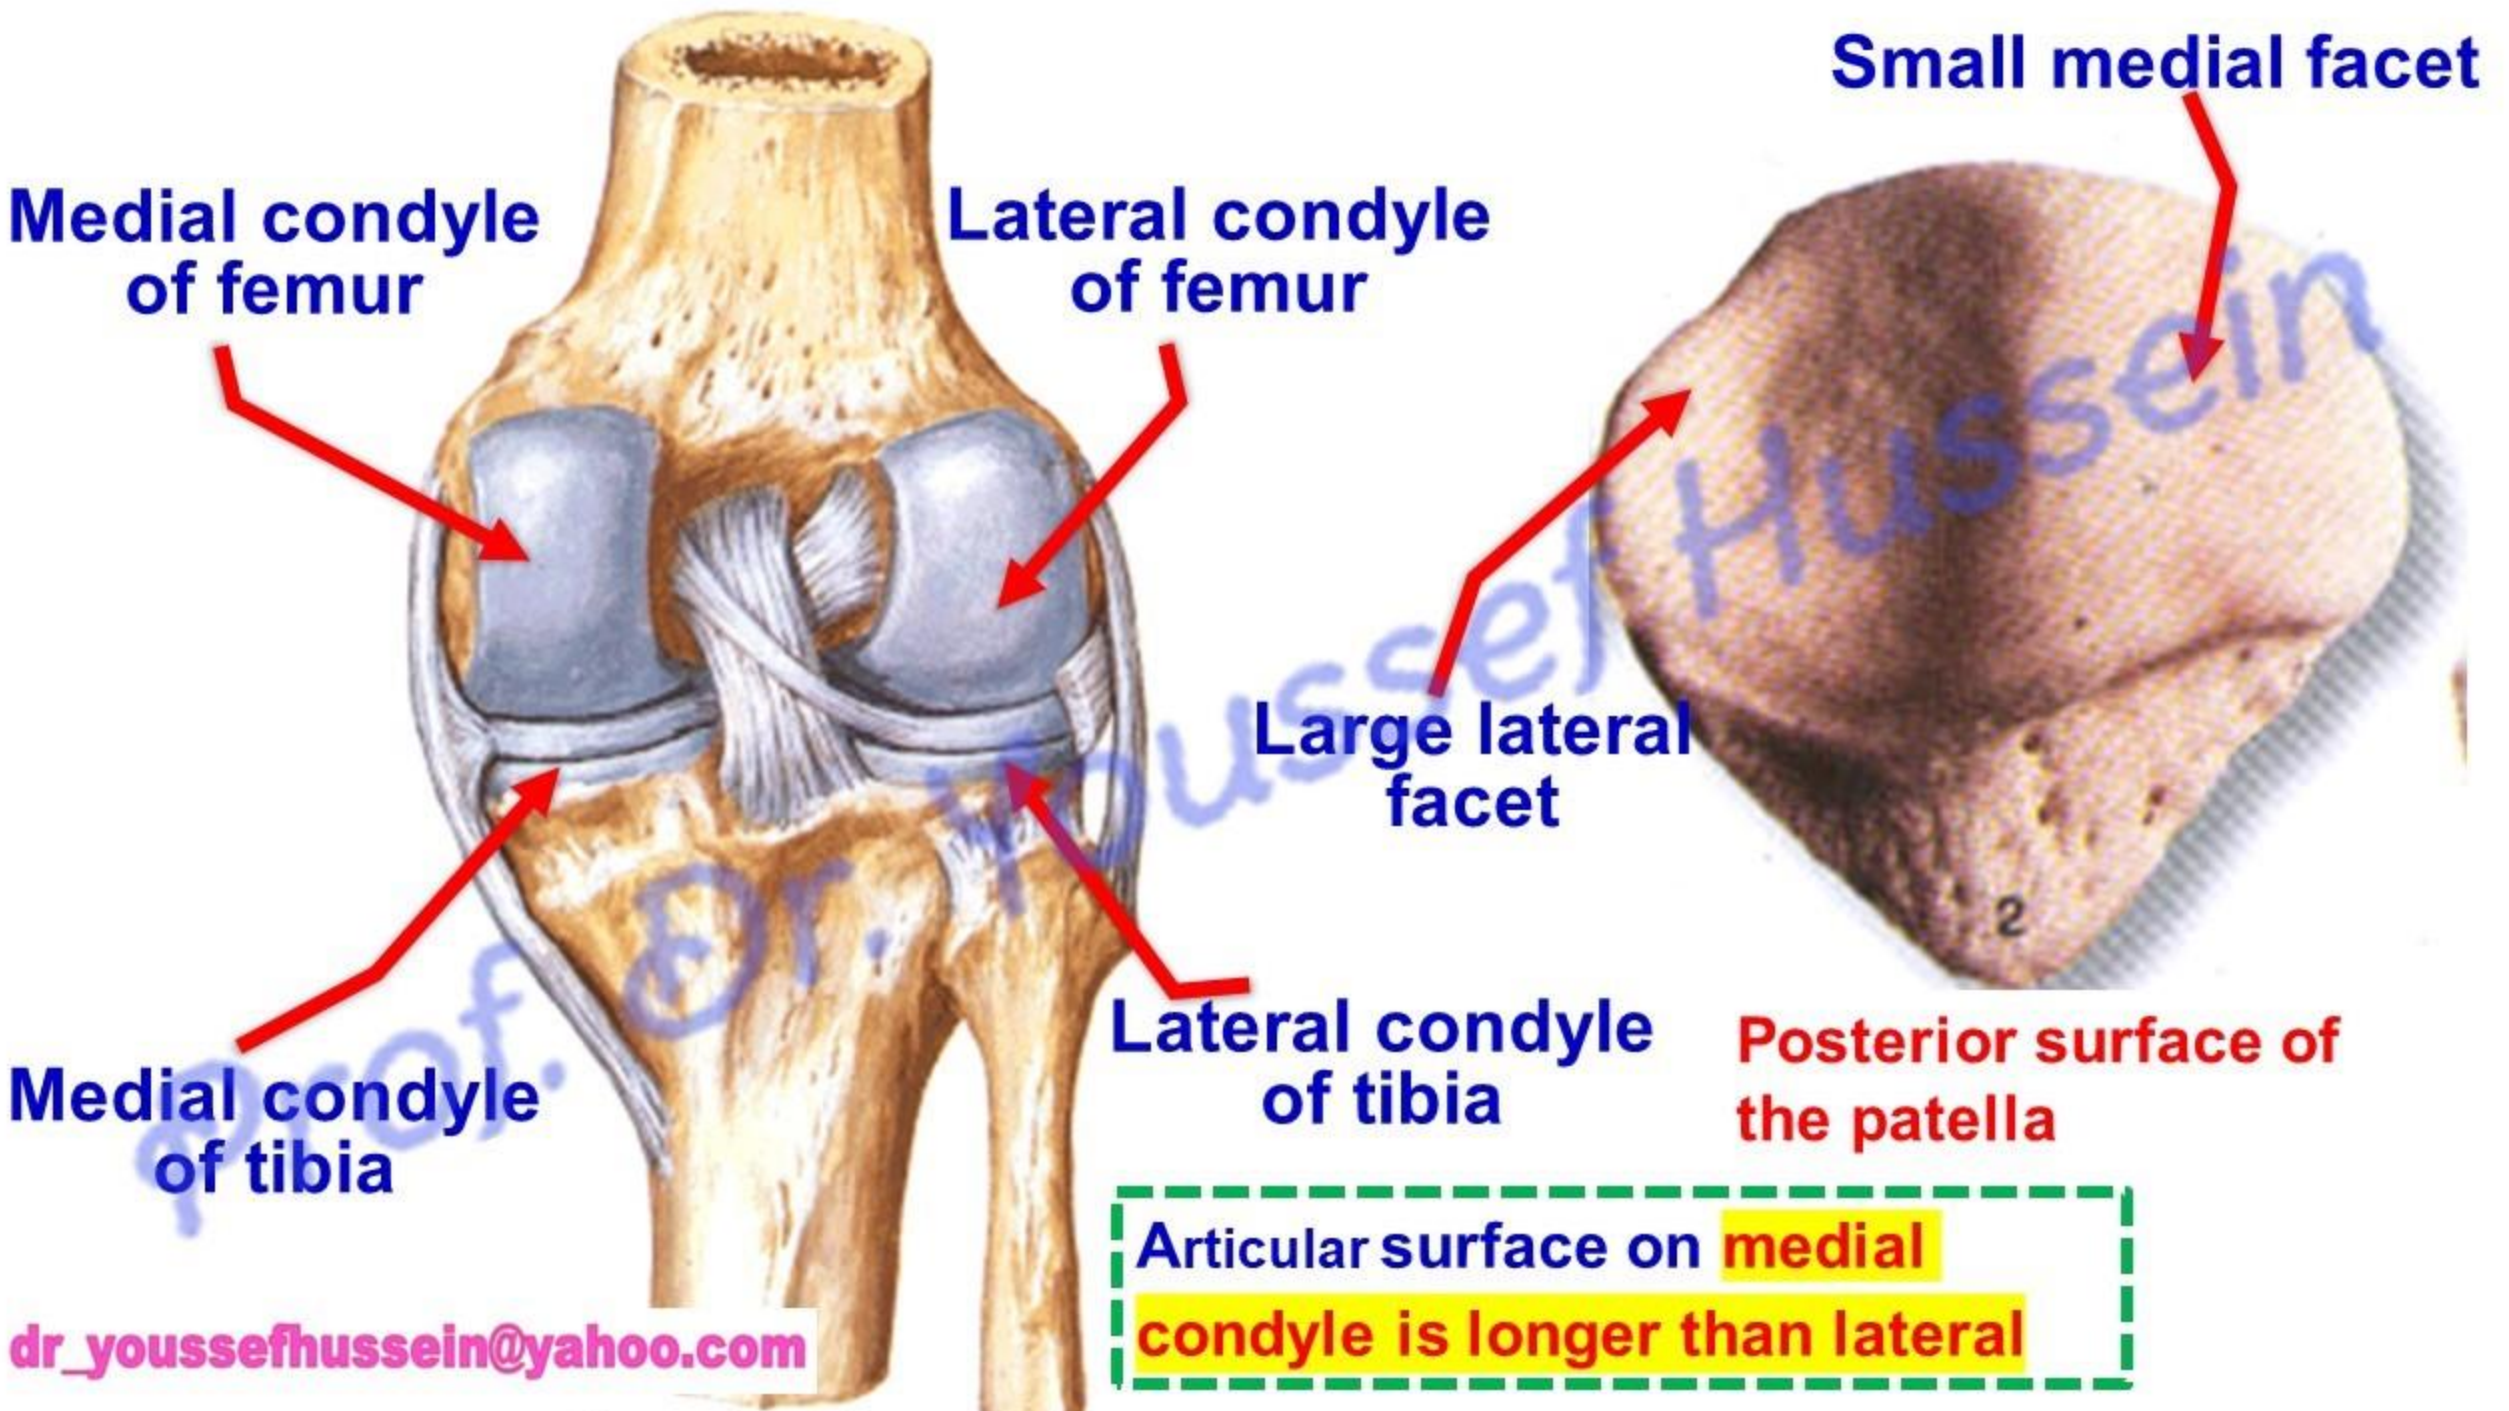

Lateral condyle of tibia

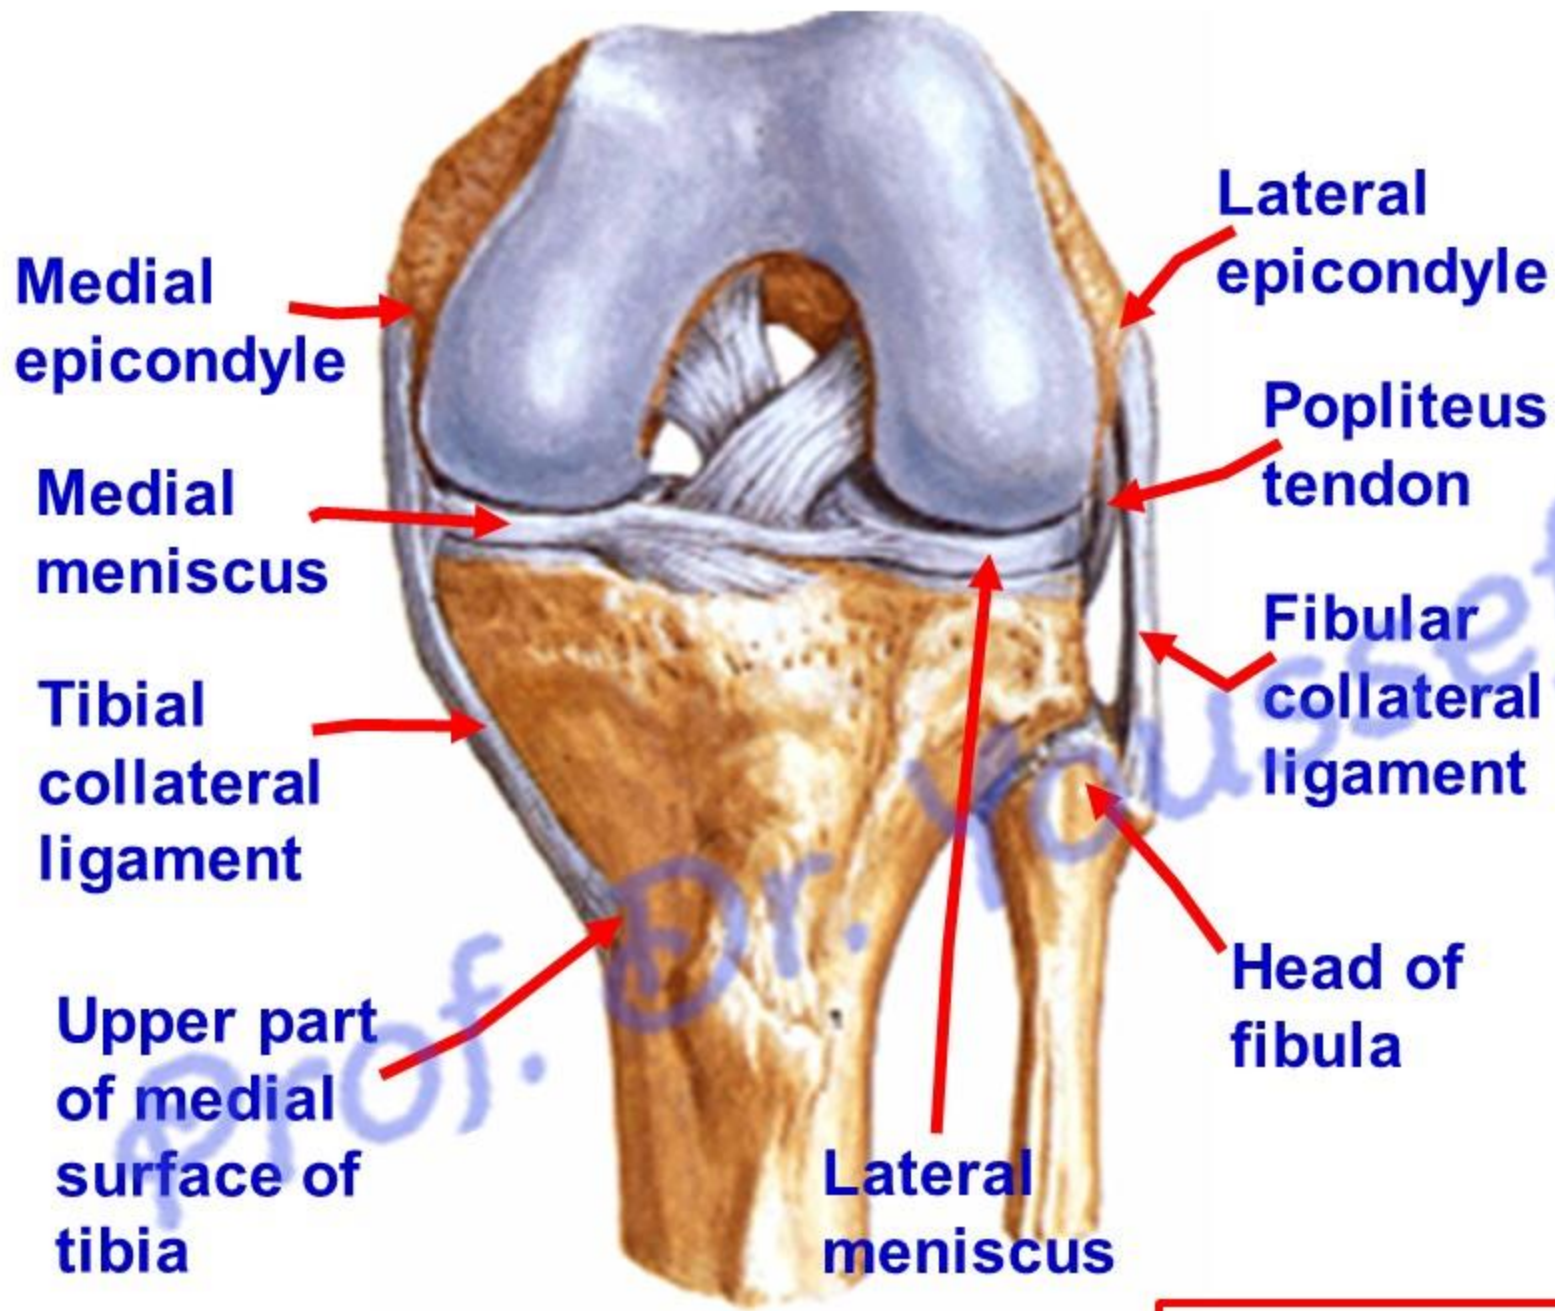

Large lateral facet

Posterior surface of the patella

Articular surface on medial condyle is longer than lateral

dr_youssefhussein@yahoo.com

Medial epicondyle

Medial meniscus

Tibial collateral ligament

Upper part of medial surface of tibia

Lateral epicondyle

Popliteus tendon

Fibular collateral ligament

Head of fibula

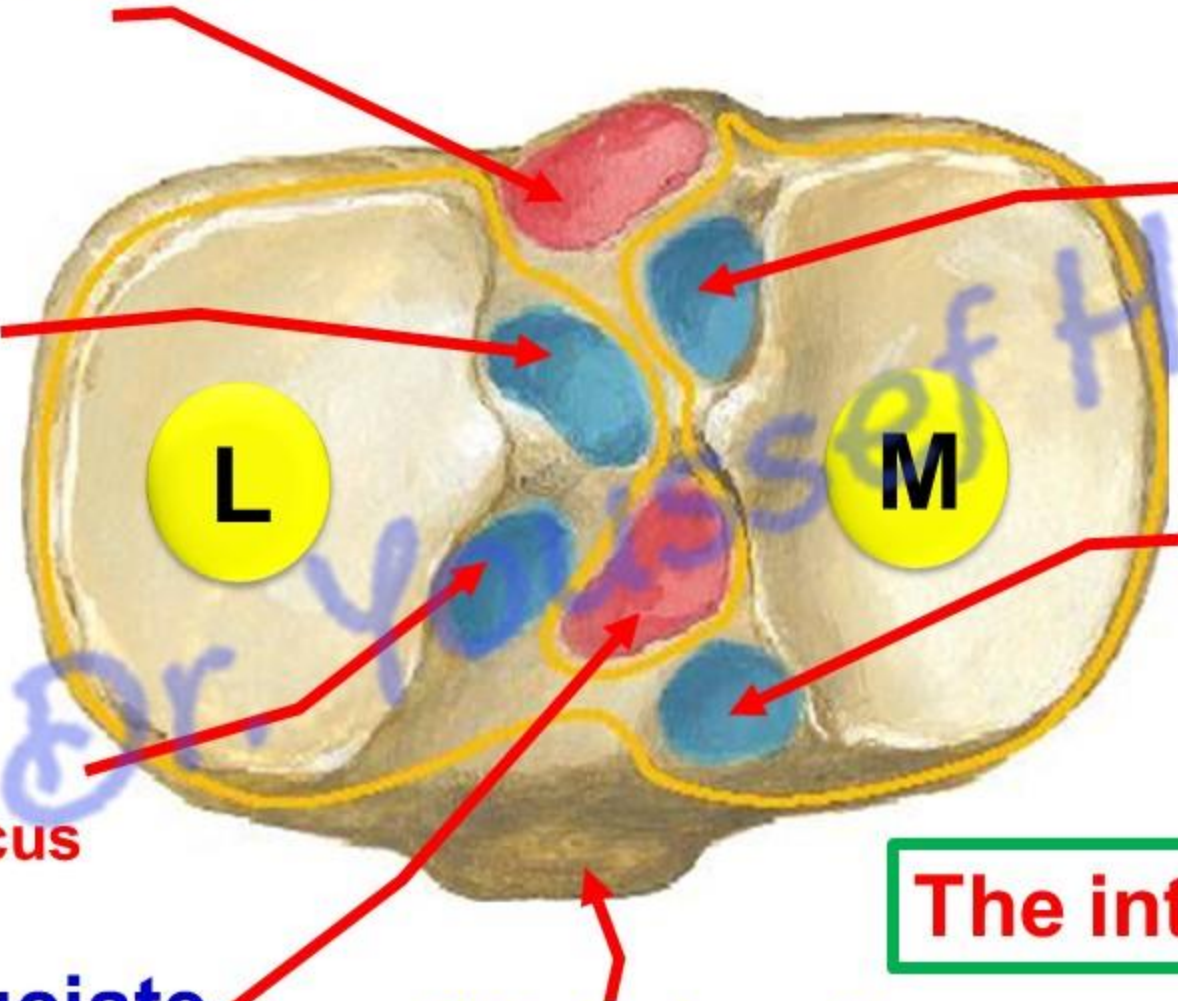

Lateral meniscus

6 Posterior cruciate ligament

4 Posterior horn of lateral meniscus

3 Anterior horn of lateral meniscus

2 Anterior cruciate ligament

5 Posterior horn of Medial meniscus

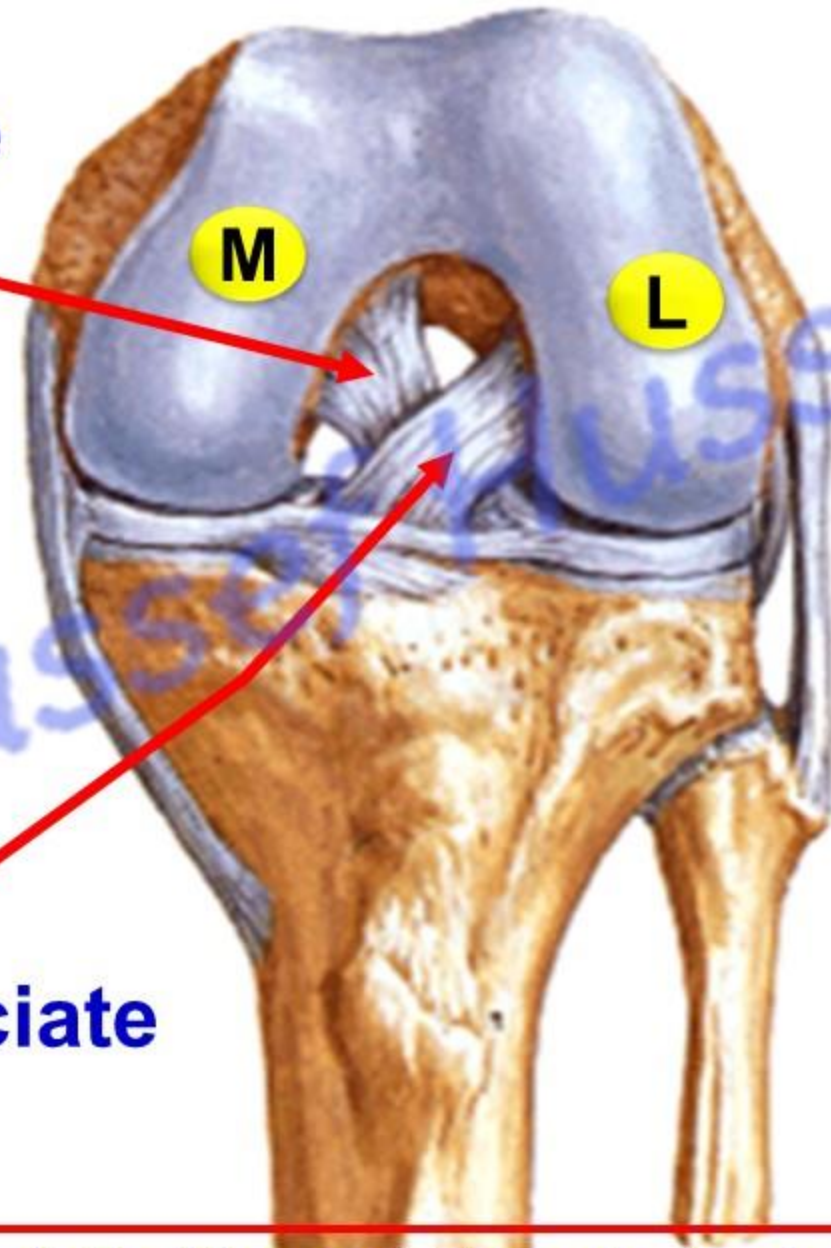

1 Anterior horn of Medial meniscus

The intercondylar area

Tibial tuberosity (Anterior)

X-shaped figures

Posterior cruciate
ligament

Anterior cruciate
ligament

Transverse ligament
