1- Extrinsic incubation period is the?

Select one:

- a. Time between exposure to infection and appearance of symptoms or signs of disease
- b. Time required for 50 96 of the cases to occur following exposure.
- c. Period between the time when the vector gets infective and time vector becomes infected
- d. Period between the time when the vector gets infected and time vector becomes infective
- e. time between the onset of the primary case and the secondary case.

ANSWER:D

2- The reservoir for human Brucellosis is?

- Select one: a. Humans b. Rodents c. Cattle
d. Cats e. Vegetation

ANSWER:C

3- One of the following is false regarding carrier

- a-Incubatory carriers
- b-Convalescent carrier
- c-Healthy carrier
- d-Contact carrier
- f-Permenant carrier

ANSWER:F

4- All the following is true about subclinical cases except.....
they have severe signs and symptoms

5- The carrier which shed infectious agent less than 3 months.....
Temporary carriers

6- True regarding carriersmore dangerous than cases

يارب اشرك لي صدري ويسر لي امري واحلل عقدة من لساني يفقه قلبي

7- Carriers classified during spectrum of the disease except

- 1) incubatory carrier
- 2) Convalescent carrier
- 3) Healthy carrier
- 4) contact carrier
- 5) Permanent carrier

Answer: 4) contact carrier

8- Which of the following statements about carriers is accurate?

- A. Should always act as a source of infection
- B. Never being a carrier
- C. Man is the most common
- D. Animals act as reservoirs
- E. Man acts as a reservoir

Answer: C. Man is the most

9- Convalescent carriers are best classified as:

- A. Temporary
- B. Transient
- C. Permanent
- D. Incubatory

Answer: A. Temporary

10- A chronic condition is:

- A. For a short period with severe onset
- B. For 1 year with deteriorating results on body
- C. For 1 year which requires continuous medical care
- D. For 1 year which requires ongoing attention
- E. For 1 week which requires persistent tests

Answer: C. For 1 year which requires continuous medical care

Explanation: it is for 1 year requiring repetitive health care center admissions (attention is not enough)

أَفَنَيْتَ يَا مُسْكِينِ عُمَرَكَ بِالتَّأْوِهِ وَالْحَزَنِ
وَقَعَدْتَ مَكْتُوفَ الْيَدَيْنِ تَقُولُ حَارِبِنِي الزَّمَنُ
مَا لَمْ تَقُمْ بِالْعَبِيِّ أَنْتَ، فَمَنْ يَقُومُ بِهِ إِذْنُ؟
