

Neurosurgery

Seminar

Notes

Head injury

Hydrocephalus

Intracranial pressure

Spinal congenital anomaly

Subarachnoid hemorrhage

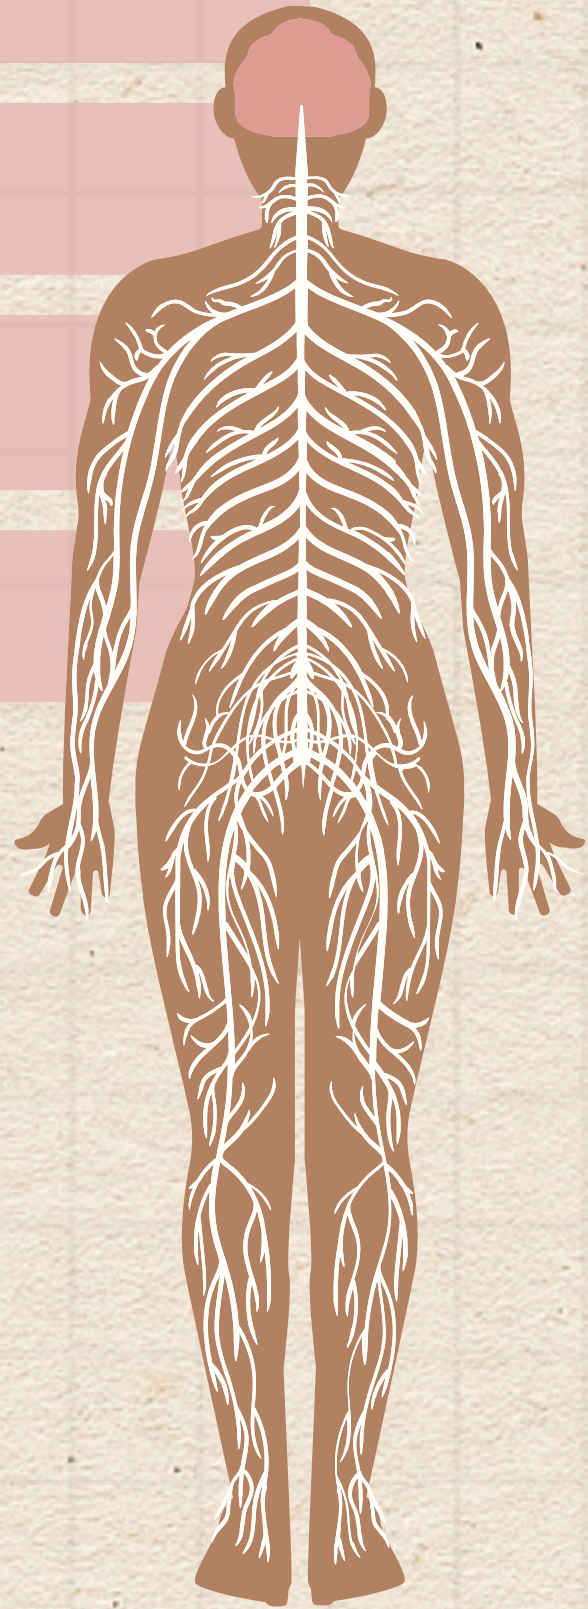

CNS Anomaly

Spinal injury

Spine tumors

Spine degenerative disease

Brain Tumor

”من اليقين! ألا تذبّل..

وَمِنَ الْإِيمَانِ أَلَّا تُقِفَ وَلَوْ زَادَتْ جِرَاحُكَ!
يا لَشِدَّةَ الْجِرَاحِ، وَعَثْرَةَ الْأَقْدَامِ، وَكَثْرَةَ الْأَحْمَالِ
وَرَحْمَةَ اللَّهِ!”
